Geraniol	n/d
Hydroxy-citronella	n/d

Isoeugenol	n/d
Linalool	n/d
Methyl heptin carbonate	n/d
Oak moss and treemoss extract	n/d
Treemoss extract	n/d

This document is completed to the best of our knowledge at the indicated date about above product(s) and is based on our current knowledge of the composition of our products and of individual ingredients contained therein, based on internal measurements, data obtained from our suppliers and literature data. And remains the property of the issuer. As such the given information remains confidential. The information above is given for guidance only. Although the greatest care has been taken to ensure its accuracy, changing regulations and individual product characteristics may require specification modifications or make it necessary to disclaim any warranty, expressed or implied, or liabilities. It belongs to the user; under his responsibility, to ensure the conditions and possibilities of use of the product(s), in particular with regard to laws and regulations. It's important to remind that the certifications and the manufacturing practices and environment are related to the grade (food/non-food) of the products. In case of dispute relating to the information communicated pursuant to regulations, only regulations in force shall prevail.

**PLEASE NOTE:** Analysis may be statistically generated and is not always lot specific, nor can the amounts be considered more than approximations. It is the responsibility of the customer to ensure the safety of the final product by further testing using a certified laboratory.
